Location, Location, Location

The SRCD office as well as the Ranger Department is now located at the base of Snowshoe Mountain on Route 66 in the former First Tracts building directly across from The Inn. This location is a temporary solution. The SRCD recently submitted funding applications to Senator Joe Manchin, Senator Shelley Moore Capito, and Congresswoman Carol Miller for engineering and design work for a permanent building. Fingers crossed!

Shavers Fork Fire Rescue TRANSITION TO SRCD

The SRCD began fully funding the SFFR in 2023, eliminating a substantial portion of the MTA. We are actively working to transition the SFFR ownership to the SRCD. This will allow for alternative funding opportunities through state and federal grants as well as enhanced benefits for SFFR employees.

GROWTH AND DEVELOPMENT

While continuing to fulfill our duties to supply essential services including fire, EMS, and public safety, the SRCD is thrilled to announce the SRCD Ranger Department is up and running!

The SRCD Ranger Department is a lawfully-authorized law enforcement agency operating with the same authorities as other law enforcement agencies in WV. Our law enforcement Rangers patrol seven days per week. Creating a law enforcement agency was quite the challenge and required dedication and perseverance. We are proud to offer law enforcement services to the homeowners, guests, businesses, employees, and visitors of Snowshoe. Should you need the SRCD Ranger services, please contact **911**.
